- (c) While establishing any relationship with the Client, the Portfolio Manager will download the Client details from the KRA system to verify its identity. In case of any changes in the KYC information / details of the Client, upon receipt of such information the Portfolio Manager will be responsible for updating the details in the KRA system.
- (d) The Portfolio Manager will conduct verification of the clients where considered necessary and ensure that the details are the same as that in the KYC form; conduct checks by subscribing to relevant databases for identified individuals against civil or criminal proceedings by any enforcement agency worldwide.
- (e) The Portfolio Manager will periodically scan all existing Client relationships to ensure that no relationship is established with or linked to any of the entities or individuals included in the UN Sanctions list or any other internal list maintained by the Portfolio Manager (if any). Full details of resemblance with any of the individuals/entities in the list will immediately be intimated to SEBI and FIU-IND. The information will be enough to satisfy the regulatory authorities that due diligence was conducted by the Portfolio Manager in compliance with the applicable laws and regulations.
- (f) The Portfolio Manager will conduct ongoing due diligence where it notices inconsistencies in the information provided by Clients.
- (g) The Portfolio Manager will submit its report to Principal Officer on the status and findings of the due diligence for approval.
- (h) The Principal Officer will take necessary guidance and advice, as required, from partners of the Portfolio Manager, if deemed necessary in the discretion of the Principal Officer, to complete the due diligence including additional information and monitoring processes for Politically Exposed Persons, who shall be onboarded only after the approval of the partners of the Portfolio Manager.

Politically Exposed Persons (“PEPs”)

- (i) The Portfolio Manager will determine whether the existing or potential Clients are PEPs. PEPs are individuals who are or have been entrusted with prominent public functions in a foreign country, e.g., Heads of States or of Governments, senior politicians, senior government/judicial/military officers, senior executives of state-owned corporations, important political party officials, etc.
- (j) The Principal Officer will obtain approval of the partners of the Portfolio Manager for establishing or continuing business relationships with PEPs.
- (k) The Portfolio Manager will obtain adequate information from various sources to determine whether the Client is a PEP. It will also verify the sources of Portfolio Managers as well as the wealth of Clients identified as PEPs.
- (l) Failure to provide satisfactory evidence of identity will be noted and reported to the higher authority within the Portfolio Manager.

7.5. Risk management

- (a) The Portfolio Manager will undertake risk profiling of the Client based on the information / documents collected to enable appropriate assessment of risk posed by the Client and the risk categorisation of the Client. The Portfolio Manager will categorise Clients into High, Medium and Low risk based on the following parameters:
 - (i) Client’s background;
 - (ii) Place of residence or business;
 - (iii) Nature of business; and
 - (iv) Any other relevant information.

FYERS ASSETS

- (b) The risk assessment carried out will consider all the relevant risk factors before determining the level of overall risk and the appropriate level and type of mitigation to be applied. The assessment will be documented, updated regularly and made available to competent authorities and self-regulating bodies, as and when required.
- (c) Based on the risk categorisation, the Portfolio Manager will apply CDD measures on a risk sensitive basis. In case of high-risk customers, the Portfolio Manager will adopt enhanced due diligence process.

8. Transaction monitoring and reporting

8.1. Transaction monitoring – for Discretionary Portfolio Management Services

- (a) The Portfolio Manager will ensure that checks are in place for appropriate monitoring of investment transactions made on behalf of the Clients. Such monitoring of transactions will be conducted in accordance with the risk categorisation of the Client. The aim of such monitoring will be to ensure that the payments being made by the Clients are in accordance with the respective contribution agreements, with respect to factors like, mode of payment, etc.
- (b) The Principal Officer will carefully examine the documents, records, memorandums, clarifications, etc. and record the same in writing for internal record purposes. The same will be made available to SEBI, FIU-IND and other relevant authorities during audit, inspection or as and when required.
- (c) While undertaking transaction monitoring, the Portfolio Manager will ensure that all the suspicious transactions are reported to the Principal Officer who will report the same in a Suspicious Transaction Report (“STR”) to the Director FIU-IND.
- (d) Suspicious Transactions means a transaction, including an attempted transaction, whether or not made in cash, which to a person acting in good faith:
 - (i) gives rise to a reasonable ground of suspicion that it may involve the proceeds of an offence specified in the Schedule to the PMLA, regardless of the value involved; or
 - (ii) appears to be made in circumstances of unusual or unjustified complexity; or
 - (iii) appears to have no economic rationale or bona-fide purpose; or
 - (iv) gives rise a reasonable ground of suspicion that it may involve financing of the activities relating to terrorism.
- (e) Following is an illustrative list of suspicious transactions:
 - (i) Clients whose identity verification seems difficult or Clients that appear not to co-operate;
 - (ii) Asset management services for Clients where the source of the Portfolio Managers is not clear or not in keeping with Clients’ apparent standing /business activity;
 - (iii) Clients based in high-risk jurisdictions;
 - (iv) Substantial increases in business without apparent cause;
 - (v) Clients transferring large sums of money to or from overseas locations with instructions for payment in cash;
 - (vi) Attempted transfer of investment proceeds to apparently unrelated third parties;

FYERS ASSETS

- (vii) Unusual transactions by Clients of special category given under paragraph 9.2 of this Policy and businesses undertaken by offshore banks / financial services, businesses reported to be in the nature of export-import of small items.
- (f) Any suspicious transaction shall be immediately notified to the Principal Officer of the Portfolio Manager. The notification may be done in the form of a detailed report with specific reference to the Clients, transactions and the nature / reason of suspicion. However, it shall be ensured that there is continuity in dealing with the Client as normal until told otherwise and the Client shall not be told of the report/suspicion. In exceptional circumstances, consent may not be given to continue to operate the account, and transactions may be suspended, in one or more jurisdictions concerned in the transaction, or other action taken.
- (g) It is likely that in some cases transactions are abandoned or aborted by Clients on being asked to give some details or to provide documents. It is clarified that intermediaries shall report all such attempted transactions in STRs, even if not completed by Clients, irrespective of the amount of the transaction.
- (h) The Portfolio Manager will ensure that there is continuity in dealing with the Client and will not put any restrictions on the operations with Clients in whose case an STR is filed. The Portfolio Manager will ensure that all the relevant staff is prohibited from disclosing to the Client that an STR is being filed or any information is being provided to the SEBI / FIU-IND.
- (i) The compliance cell of the Portfolio Manager may randomly examine a selection of transactions undertaken by Clients to comment on their nature i.e., whether they are in the nature of suspicious transactions or not.
- (j) The Portfolio Manager shall adhere to the following:
- (i) The Cash Transaction Report (“CTR”) (wherever applicable) for each month shall be submitted to FIU-IND by 15th of the succeeding month.
 - (ii) The STR shall be submitted within 7 days of arriving at a conclusion that any transaction, whether cash or non-cash, or a series of transactions integrally connected are of suspicious nature. The Principal Officer shall record his reasons for treating any transaction or a series of transactions as suspicious. It shall be ensured that there is no undue delay in arriving at such a conclusion.
 - (iii) The Non-Profit Organization Transaction Reports (“NTRs”) for each month shall be submitted to FIU-IND by 15th of the succeeding month.
 - (iv) The Principal Officer will be responsible for timely submission of CTR, STR and NTR to FIU-IND.
 - (v) Utmost confidentiality shall be maintained in filing of CTR, STR and NTR to FIU-IND.
 - (vi) No requirement to submit NIL report to FIU-IND if there are no cash/ suspicious/ non –profit organization transactions to be reported.
- (k) The Portfolio Manager shall additionally adhere to the following:

FYERS ASSETS

- (i) Not put any restrictions on operations in the accounts where an STR has been made.
- (ii) The Portfolio Manager and its directors, officers and employees (permanent and temporary) shall be prohibited from disclosing (“tipping off”) the fact that a STR or related information is being reported or provided to the FIU-IND. This prohibition on tipping off extends not only to the filing of the STR and/ or related information but even before, during and after the submission of an STR. Thus, it shall be ensured that there is no tipping off to the Client at any level. Irrespective of the amount of transaction and/or the threshold limit envisaged for predicate offences, STR can be filed if the person filing has reasonable grounds to believe that the transactions involve proceeds of crime.

8.2. Compliance with Unlawful Activities (Prevention) Act, 1967

The Portfolio Manager will comply with the obligation listed in the following:

- (a) The Unlawful Activities (Prevention) Act, 1967 (“UAPA”), its amendments; and
- (b) Order dated August 27, 2009 (“Order”) detailing the procedure for implementation of Section 51A of the UAPA relating to the purposes of prevention of, and for coping with terrorist activities, as issued by the Government of India; and
- (c) SEBI circulars issued in this behalf.

The Portfolio Manager will ensure implementation of the procedures prescribed under the UAPA regarding freezing of Portfolio Managers, financial assets or economic resources or related services held by the Clients/ entities enlisted in the UNSCRs.

9. Record Keeping

9.1. Record keeping and retention

- (a) The Portfolio Manager will maintain such records as are sufficient to permit reconstruction of individual transactions (including the amounts and types of currencies involved, if any) so as to provide, if necessary, evidence for prosecution of criminal behaviour. The Portfolio Manager will maintain and preserve the following information in respect of transactions made by the Clients:
 - (i) The beneficial owner of the account;
 - (ii) The nature of the transactions;
 - (iii) The amount of the transaction and the currency in which it is denominated;

- (A) every year for FPIs categorised as high risk including those coming from high-risk jurisdiction, and
- (B) every 3 years for all other FPIs (preferably at the time of continuance of FPI registration).

(ii) For non-FPIs –

- (A) at least every 2 years for high-risk Clients,
- (B) every 8 years for medium-risk Clients, and
- (C) every 10 years for low-risk Clients taking into account whether and when Client due diligence measures have previously been undertaken and the adequacy of data obtained.

10. Compliance with Foreign Account Tax Compliance Act (“FATCA**”) and Common Reporting Standard (“**CRS**”)**

The Portfolio Manager will, at the time of conducting Client due diligence and at various subsequent intervals, undertake necessary due diligence of all the reportable accounts as prescribed under FATCA and CRS guidelines, that is, US reportable accounts as well as other reportable accounts. Further, such information will be maintained and reported in the prescribed forms.

11. Employees’ hiring and training / Client Education

11.1. Employees’ hiring and training

FYERS ASSETS

The Portfolio Manager will put in place adequate screening procedures while hiring Employees. The Portfolio Manager will ensure that suitable candidates are hired based on the Portfolio Manager's business requirements and the competency of the candidates to perform their duties. They shall identify the key positions within their own organization structures having regard to the risk of money laundering and terrorist financing and the size of their business and ensure the Employees taking up such key positions are suitable and competent to perform their duties.

The Portfolio Manager will develop an employee training programme and conduct trainings on an ongoing basis so that the relevant staff members are adequately trained in KYC / AML / CFT procedures. Training requirements shall have specific focuses for frontline staff, back-office staff, compliance staff, risk management staff and staff dealing with new Clients. It will be crucial that all those concerned fully understand the rationale behind the Policy, obligations and requirements, implement them consistently and are sensitive to the risks of their systems being misused by unscrupulous elements.

11.2. Client education

The Portfolio Manager will be required to obtain certain information from its clients which may be of personal nature or never been called for. The Portfolio Manager will sensitise the Clients about such requirements and share relevant information / literature to educate them of the objectives of the KYC / AML / CFT framework.

12. Review of the policy

The Policy will be reviewed as and when required, in light of change in regulatory framework or for business or operational reasons. Such updates / changes to the Policy will be communicated to the Employees / relevant stakeholders on a periodic basis.

Procedure to identify Beneficial Owner (“BO”)

1) For Clients other than individuals or trusts: Where the Client is a person other than an individual or trust, viz., company, partnership or unincorporated association/body of individuals, the Portfolio Manager will identify the BOs of the Client and take reasonable measures to verify the identity of such persons, through the following information:

a) The identity of the natural person, who, whether acting alone or together, or through one or more juridical person, exercises control through ownership or who ultimately has a controlling ownership interest.

Explanation: Controlling ownership interest means ownership of/entitlement to:

i. more than 25% of shares or capital or profits of the juridical person, where the juridical person is a company;

ii. more than 15% of the capital or profits of the juridical person, where the juridical person is a partnership; or

iii. more than 15% of the property or capital or profits of the juridical person, where the juridical person is an unincorporated association or body of individuals.

b) In cases where there exists doubt under clause (a) above as to whether the person with the controlling ownership interest is the BO or where no natural person exerts control through ownership interests, the identity of the natural person exercising control over the juridical person through other means.

Explanation: Control through other means can be exercised through voting rights, agreement, arrangements or in any other manner.

c) Where no natural person is identified under clauses (a) or (b) above, the identity of the relevant natural person who holds the position of senior managing official.

2) For Client which is a trust: Where the Client is a trust, the Portfolio Manager will identify the BO of the Client and take reasonable measures to verify the identity of such persons, through the identity of the settlor of the trust, the trustee, the protector, the beneficiaries with 15% or more interest in the trust and any other natural person exercising ultimate effective control over the trust through a chain of control or ownership.

3) Exemption in case of listed companies: Where the Client or the owner of the controlling interest is a company listed on a stock exchange or is a majority-owned subsidiary of such a company, it is not necessary to identify and verify the identity of any shareholder or BO of such companies.

4) For FPIs from “high risk jurisdictions”: Where the FPIs come from “high risk jurisdictions” the Portfolio Manager may apply lower materiality threshold of 10% for identification of BO and also ensure KYC documentation as applicable for category III FPIs.
